

# IN SPACE

## FEELING THE BUILT ENVIRONMENT

12pm-1pm, Tues 19th March 2024  
Muirhead Tower 429

Join us for the first in a series of workshops focusing on diverse experiences of built sensory environment.

This workshop is co-led by the Neurodiversity Staff Network and the Imagining Wellbeing strand of the Centre for Urban Wellbeing. For more information or to join future events, please email Dorothy Butchard ([d.butchard@bham.ac.uk](mailto:d.butchard@bham.ac.uk)) and Jeremy Kidwell ([j.kidwell@bham.ac.uk](mailto:j.kidwell@bham.ac.uk)).

More information: <https://feeling-the-built-environment.eventbrite.co.uk>

This event is part of **Neurodiversity Celebration Week** at University of Birmingham – follow the QR code to find out more & see events.
